

NAME OF BOATER
ADDRESS LINE 1
CITY, STATE, ZIP

Vessel Identification: BOW # UTXXXX
Expiration Date: 12/31/2026

Dear Boater,

01/06/2026

Thank you for purchasing a Utah Aquatic Invasive Species (AIS) decal. Your decal is enclosed. Utah law 23-A-10-201 requires that AIS decals be displayed on all motorized vessels that are registered after July 1, 2023, while boating in the state. Please place your decal six inches aft of the state registration decal on the port side of your vessel.

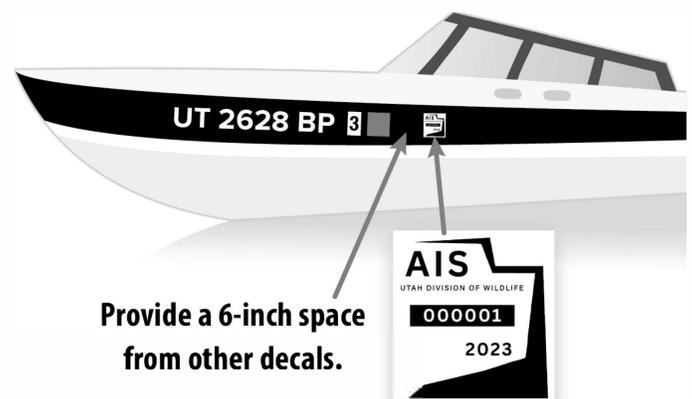

For more information about how you can help stop the spread of invasive species, like quagga mussels, visit stdofthesea.utah.gov or contact your local DWR office.

Thank you for supporting Utah's wildlife heritage!

Spaces or hyphens must appear here.

AIS validation decal must appear port side.

Provide a 6-inch space
from other decals.
